

MD-C-200-v2

MEDIUM DENSITY, CLOSED-CELL

ICYNENE MD-C-200™-v2 is a high performance 2 lb. closed-cell spray foam insulation that meets the strict standards of quality and performance that our customers have come to know and trust. This robust closed-cell spray foam insulation expands the comfort zone with benefits such as:

- High R-value
- Air impermeable material
- Increased structural integrity for a home or commercial building
- Vapour barrier performance
- Superior cold temperature adhesion and spray application performance (-10°C)
- No seasonal formulations, suitable for all climates
- Minimal drum pressurization or loss of blowing agent
- One year shelf life

Architects and builders can push the limits of design while being able to meet or exceed code requirements for high R-value and/or a vapour barrier. Commercial or Residential building owners achieve noticeable reductions on heating and cooling bills.

With one formulation for all seasons and superior cold climate application performance, ICYNENE MD-C-200™-v2 performs well in Canadian climates.

CERTIFICATIONS AND QUALIFICATIONS

CCMC# 13593-L

Evaluated and approved for use by the Canadian Construction Materials Centre

STANDARDS COUNCIL OF CANADA

Fully meets the CAN/ULC-S705.1 Material Standard

THE ICYNENE DIFFERENCE

More than just the chemistry in the lab, there is the chemistry of our company. Our global dealer network is extensive and each must pass strict testing in order to be licensed to spray

ICYNENE[®]
THE EVOLUTION OF INSULATION™

FOR IMMEDIATE TECHNICAL ASSISTANCE, CALL **1-800-758-7325**

Icynene products. Each shares Icynene's commitment to upholding the highest standards of product quality, world class installation and dedication to the customer. Furthermore, we have dedicated engineers and technology experts that form the foundation of our Building Science expertise.

With an industry leading warranty for commercial and residential applications, our confidence is as strong as our product and our dealer network.

INSULATE YOUR INVESTMENT

Proven products. Proven Company. Uncompromising performance and quality. An investment that will stand the test of time. We aren't just selling another insulation product. We are spraying peace-of-mind into your building envelope.

IDEAL FOR RESIDENTIAL AND COMMERCIAL APPLICATIONS

INCREASED ENERGY EFFICIENCY

Icynene products give you both insulating R-value and air barrier performance – allowing you to minimize two major sources of heat loss/gain. Homeowners will notice significant reductions in their heating and cooling costs.

IMPROVED INDOOR AIR QUALITY

Icynene's air-sealing capabilities minimize the entry of airborne irritants such as allergens, drafts or humidity. Combined with proper mechanical ventilation, Icynene products assist occupants in controlling the quality of the indoor air that they breathe.

CONTRIBUTION TO LEED POINTS

Icynene spray foam insulation solutions are vital contributors towards a home or building obtaining critical LEED (Leadership in Energy and Environmental Design) points.

Always refer to the specification sheets on **lcynene.com** for the most current information on the complete portfolio of Icynene products.
